Lactation Space on Campus

Interdisciplinary Life Sciences Building (ILSB/Building #1530)
ILSB 1188A
ILSB 1188A is a private room that locks and is located within the first floor women’s restroom (1188). There are lockers for storage and an electrical outlet. The Interdisciplinary Life Sciences Building is unlocked 7:00 AM - 5:00 pm, Monday – Friday and is closed on the weekends.

Liberal Arts and Arts and Humanities Building (LAAH/Building #0275)
LAAH 111
The lactation room is located on the first floor of the Liberal Arts and Arts & Humanities building next to a family restroom (Room 112). It has a sink with hot water, soap dispenser, towel dispenser, and a baby changing station. There is no refrigerator, but there is one in the break room one floor up. The room is furnished with a chair and footstool, rug, lamp, and small storage cabinet. There is an adjacent, separate shower room and is open to anyone. The lactation room is unlocked and open during building hours, 7:30 AM – 10:30 p.m., Monday – Friday, and is closed on weekends.

Academic Building (ACAD/Building #0462)
ACAD 320
ACAD 320 is a women's restroom that has a small private space/closet that was designated as a lactation room. The room has a small, flat bench, and it can be locked, but there aren’t any electrical outlets.

Mitchell Physics Building (MPHY/Building #0297)
MPHY 104, 105, 106
MPHY 106, a designated family room, MPHY 104, a designated lactation room, and MPHY 105, a restroom, are all connected in one large room. To access this room, please contact Cheryl Picone in Room #131 at (979) 458-7900. Room is available through key check-out only.

Blocker Building (BLOC/Building #0524)
BLOC 529
BLOC 529 is located within the Texas A&M ADVANCE Center and is available for lactation purposes or for individuals who need a space to be with their children while on campus. This room is available Monday-Friday from 8:00 a.m. – 5:00 p.m. with prior notification. To access this room, please contact Linda Stelly in the ADVANCE Center at (979) 845-1235.
Biological Sciences Building West (BSBW/Building #0449)
BSBW B22
B22 is a designated lactation room available to Biology Department employees. It is a small room free from high traffic, and keys are issued for those needing access. It has a chair, a sink with hot water, flat surfaces, and electricity. It does not have a refrigerator.

College of Veterinary Medicine
College of Veterinary Medicine has space available to faculty, staff, and students of the Vet School, but the room has restricted access. Contact persons for the lactation room are Judy Walters, who can be reached at jwalters@cvm.tamu.edu or (979) 845-5997, and Lisa Roberts-Helton, who can be reached at lroberts@cvm.tamu.edu or (979) 845-6881 or (979) 845-5997.

Evans Library (LIBR/Building #0468)
LIBR 207E
Room 207E is the designated lactation space in Evans Library. It is open to library employees 8:00 a.m. to 5:00 p.m., Monday - Friday. It is in the staff area of the building and has a trilogy (punch code) lock on the door. The code is available from Libraries’ Employee Resources personnel (Room 203 in Evans Library). Primarily intended for use by the libraries’ employees, it can be made available to nursing employees in nearby buildings on a case by case basis. No active schedule for the room. Current individuals using it coordinate among themselves.

Teague Building (TEAG/Building #0445)
Teague B014A
To access Teague B014A, go to the CIS Help Desk counter in the Teague Building to obtain an access card and directions to the room. For more information or questions regarding this space, contact Jay McAbee at 458-1152.

General Services Complex (GSC/Building #1800)
GSC 271
GSC 271 is located on the second floor of the General Services Complex. To access this room, go to the reception desk in Suite 2601 to obtain an access card and directions to the room from the receptionist. For more information or questions regarding this space, contact Kay Lightsey at 845-4211.
