Agreement for Student Legal Services

Warranty and Guarantee I am aware that the practice of law is not an exact science and acknowledge that no warranties or guarantees have been made about the results of my case.

Control Over Decisions I will make all decisions about my case and represent myself in court pro se as attorney for myself, unless I retain a private attorney. I will be aware of and act within the court dates and time limitations for my case. Student Legal Services provides advice and counseling, but does not provide representation in court.

Retention of Records I will keep my own legal records and documents.

Visa or Immigration Impact International students should consult with an immigration attorney specialist concerning possible visa status or immigration outcomes and consequences of their case.

I have read and completely understand the above terms and agree to those terms. I have been given a copy of this agreement, if I requested a copy of it.
